Budget. Costs and Expenses

- \$ 2231 for Kitbag/backpack, warmup jerseys, shorts, socks & replacement fund for jerseys.
- \$ 917 for new balls, pads, miscellaneous equipment, and first aid materials.
- \$ 850 for food, pop, pizza, popsicles for gatherings like orientation meeting, banquet, occasional hosting of other clubs
- \$ 750 for Miscellaneous other purposes
- **Total Club Expenses this year are approximately \$7600, not including Union Dues or the Scholarships.**

- **Costs and Dues.**

- *Club **Costs** per Player* this year are approximately **\$245 ea. (not including registration)**
- As many of you know, that is still way below the cost of many Club sports in the area. If you can afford it, we would ask people to pay that total cost. Many of you did last year. ***Thank You !***
 - What is a fair minimum to require this year in Club dues ?? (plus registration fees). Club decision was \$50.
 - In cases of true financial hardship, we will work with a player to get fees paid. ***Talk with us asap about this.***
 - Rugby Colorado has 'financial need' scholarship money. Start with them.
 - You can try to get this through Aurora Youth Options, but they will not be working with any full teams this year. Talk to Scott or Farmer first, then Contact Natalie Kaiser 303-617-2613)
 - We will expect players to work with us on several fund raisers this year to replace the funding that dried up with AYO.
- Registration payments should be made via Visa through the process listed below. Club dues payments can be made by PayPal on our website, cash or check.
- Deficits will be made up by coaches and fundraising efforts.
- None of the money discussed above goes towards the Scholarships. That \$5000 is raised/donated above and beyond the sums discussed above.
